What is it?

Student Services Center is a central online location to view a wide range of student data.
The data is organized across four tabs.

- **Student Center** – Displays most of the information a student sees when he/she uses Student Center self-service.
- **General Info** – Displays service indicators, student groups, and personal data.
- **Academics** – Displays the student's college(s), major(s) and minor(s), and term-by-term class information.
- **Transfer Credit** – Displays the student's transfer course credits, test credits, and other credits.

Accessing Student Services Center

The Student Services Center can be accessed within PeopleSoft following the navigational path: Main Menu > Campus Community > Student Services Center, or through the Reporting Center's Academic Record report link.

On the Student Services Center search page:

1. Enter the student's ID, or the student's last and first names.

2. Click Search.

Student Services Center

Enter any information you have and click Search. Leave fields blank for a list of all values.

Student Center Tab

The student center tab contains most of the information that a student sees when he/she uses student center self-service. Data displayed here includes: current class schedule, student account information, student contact information, a brief description of any holds (service indicators) on the student's record, and the student's assigned adviser(s).

Clicking an edit button will open the associated PeopleSoft page in a pop-up window where information can be viewed in greater detail. Staff with access to update data in PeopleSoft may also make changes to the information.

Academics Tab

The academics tab displays the student's college and major information.

If the student has been active in more than one college, click on the college links to toggle between them.

Click the term links to view the student's classes, grades, and statistics term-by-term.

Tip: Student Services Center pages are not printer-friendly. Instead, unofficial transcripts may be printed.
